

Winter Break Programs

Animation & Cartooning

Kids will love this camp where they will be introduced to the wonderful world of cartoon characters. They will learn techniques, form and settings and create their very own character from their imagination! Please dress in art friendly clothing and pack two peanut-free snacks and a lunch.

Bath Buddies

Kids will love making their very own bathtime creations, as well as little bath buddies to share in the fun. Kids will make their own gift wrap using simple printmaking techniques to present their soapy surprises in style. Please dress in art friendly clothing and bring a peanut-free snack.

Bead Buddies!

End your winter break in a special way and come join us at the Gallery for a fun-filled experience. Kids will get an opportunity to create Wearable Art such as necklaces and bracelets as well as useful pieces such as keychains and backpack pulls. Use a variety of beads in countless colours and material! Please dress in art friendly clothing and bring a peanut-free snack.

Chess and Badminton Camp

Check this out! We have combined two great activities into one exciting camp! Participants will enjoy three hours per day of chess instruction combined with two hours of Badminton instruction. Combine this with other organized sports, games, special events, arts and crafts, and theme days and you have got an exciting full day.

Draw it! Paint it! Frame it!

This winter break, learn about different drawing and painting techniques and media and create your own framed work of art. Sketch, draw and paint all day, and learn how to mount, present and finish your artwork. Perfect as a Christmas gift for your loved one or hang your original masterpiece in your bedroom. Please dress in art friendly clothing and pack two peanut-free snacks and a lunch.

Fabulous Fabrics

Use a variety of fabric and all the trimmings to make fun and fabulous puppets, and your very own mini wall hanging. Please dress in art friendly clothing and bring a peanut-free snack.

Fabric Fun!

This new camp is chock full of fun; fabric fun! Projects may include batiking, using natural wool fibres to create a felt painting, and printing, stamping and painting your own pillow/cushion cover. Please dress in art friendly clothing and pack two peanut-free snacks and a lunch.

Fun with Clay!

Get your hands dirty! Children will enjoy creating clay masterpieces, in a colourful and creative way! Please dress in art friendly clothing and bring a peanut-free snack.

Holiday Badminton Tournament

For those who just can't get enough Badminton. Double elimination Tournament format will ensure a minimum of two games. Prizes for top winners and a great time had by all. All levels welcome.

Holiday Chess Camp

Checkmate! Not your average day at Camp. Participants will enjoy three hours per day of chess instruction.

Holiday Computer Camp

A camp with a difference! A variety-based camp with a computer component. Campers will be involved in a variety of outdoor activities, co-operative games, sports, crafts, theme days, cooking, swimming, and special events. Participants will be introduced to computers and will receive 1 hour of computer time at a ratio of one computer to two children each day. An excellent range of fun educational software is used to introduce campers to the importance of computers. This camp is geared to children who enjoy the outdoors, socializing with new friends and learning about computers.

Holiday Computer Fun - Extended hours

This program includes our regular computer camp and includes before and after care service from 8:00 am - 6:00 pm.

Holiday Digging for Dinos

Turn back the clock 200 million years and walk with the dinosaurs! Information comes to life as the children explore the fossilization process by manipulating various fossil replicas, learn how paleontologists plan an excavation and offer their own ideas on what fossils tell us about dinosaurs. Finally, the amateur paleontologists will perform their own dinosaur bone excavation.

Holiday Electric Company - Children

Join us for an electric adventure as we learn the basics behind the science of electricity. Use this knowledge to build and test an electric circuit that performs a useful function. Participants will also witness the science of lightning with a demonstration of a magical Tesla Coil!

Holiday Junkyard Wars

This innovative design and technology workshop offers unparalleled exploration into the world of motorized machines. Watch your technomaniacs build confidence as they tackle real design issues with the tools, materials and concepts suited to their level of learning. After engaging in a variety of mini-science labs focused on levers, pulleys and gears, the students compete to build machines designed to perform specific tasks using high quality materials and equipment.

Holiday Junkyard Wars - Car

This innovative design and technology workshop offers unparalleled exploration into the world of motorized machines. Watch your technomaniacs build confidence as they tackle real design issues with the tools, materials and concepts suited to their level of learning. After engaging in a variety of mini-science labs focused on motors, pulleys and gears, the students compete to build cars designed to perform specific function using high quality materials and equipment.

Holiday Learn To Skate

A beginners skating program designed to introduce basic skating skills to children. Participants gain confidence in their skating abilities through various activities. Participants will be grouped according to their age and skill levels. CSA Approved hockey helmets are mandatory. Failure to arrive at class with proper equipment will result in non-participation.

Holiday Memory Books

What a great year it has been and kids can capture their favourite moments of the year! Kids may create memento boxes, picture holders or mini-scrapbooks. Please bring in some photos and memorabilia items to include in the projects and dress in art friendly clothing and bring a peanut-free snack.

Holiday Power Skating & Hockey

This program is a four-day version of our popular power-skating and hockey skills for adults. This program is specifically designed for adults who wish to enhance their skills in hockey and ringette. The course consists of warm-up activities, skating and stick-handling drills, and game play. The program is intended to maximize ice time for participants. CSA approved hockey helmets, gloves, hockey / ringette sticks are mandatory. Full hockey / ringette equipment is highly recommended.

Holiday Power Skating & Hockey Skills

The emphasis of this hockey skills development program will be skating posture, agility, stopping edges, crossovers, backward skating, puck control, passing and shooting. This program would benefit beginner and house league level players. FULL HOCKEY EQUIPMENT MUST BE WORN. The class will be divided into groups based on age and ability.

Holiday Sculpture Studio

Have a blast creating 3-D objects out of clay and a variety of other media. Kids can express their individual style and personality in a fun and creative way! Please dress in art friendly clothing and pack two peanut-free snacks and a lunch.

Winter Break Programs

Holiday Soapmaking

Have some good, clean fun at the Varley Gallery! Kids will love learning how to make unique and colourful soap, and will wrap them up, making the perfect gift for their friends or family! Please dress in art friendly clothing and pack two peanut-free snacks and a lunch.

Kiddies Korner - Winter Wonders

Join us daily for an exciting winter break where your child will participate in scavenger hunts, crafts, games, cooking and music.

New Year's Noisemakers

Let's make some noise! A mixed media extravaganza where kids will make cool paper hats, crowns and wands and say hello to 2010 with a bang! Please dress in art friendly clothing and bring a peanut-free snack.

Scrapbooking: Remember 2009!

Let's celebrate 2009 and the fantastic moments by creating life-long mementos! Kids will create mini-scrapbooks in an artsy way, so bring photographs and special mementos of the year! Please dress in art friendly clothing and pack two peanut-free snacks and a lunch.

Sensational Silkscreening

Have a blast creating your own silkscreen T-shirt and can express their individual style and personality in a fun and creative way! Kids will love sporting their very own wearable art! Please dress in art friendly clothing and pack two peanut-free snacks and a lunch.

Teddy Bear Factory

Each child personalizes a teddy t-shirt and stuffs his or her very own teddy bear, complete with a wishing star. The activity concludes with completing a bear birth certificate.

Winter Break - Badminton Clinic

This skills development program will provide your child with two hours a day of badminton instruction. The emphasis of the program will be sports warm-ups, drills and scrimmage games. This program will benefit the beginner and house league players.

Winter Break - Basketball Clinic

This skills development program will provide your child with two hours a day of basketball instruction. The emphasis of the program will be dribbling, shooting, passing, drills and scrimmage games. This program will benefit the beginner and house league level players.

Winter Break Kiddies Korner Camp

Join the fun and participate in this half-day program filled with creative games, cooking activities, crafts, songs, special guests and theme days. Children will actively participate in a variety of activities each day with keen and enthusiastic staff.

Winter Break Soccer Clinic

This skills development program will provide your child with three hours a day of soccer instruction. The emphasis of the program will be ball control, shooting, passing, soccer drills and scrimmage games. This program will benefit the beginner and house league level players.

Winter Waterglobes

Canadian winter is the perfect inspiration for kids to create their own snowy scene that they can keep forever using a mixture of clay and other media. A wonderful gift for mom, dad or loved one. Please dress in art friendly clothing and bring a peanut-free snack.

TFSC

where skating dreams begin!

Give your child the chance to soar across the ice, fly through the air and maybe even stand on a podium!

Our highly qualified Skate Canada Certified Coaches ensure skaters are properly trained in a fun and motivating environment! Our learn-to-skate programs focus on teaching the fundamentals of skating, while our comprehensive figure skating programs include innovative on-ice instruction with a variety of off-ice sessions.
