

## Chess and Badminton Camp

Check this out! We have combined two great activities into one exciting camp! Participants will enjoy three hours per day of chess instruction combined with two hours of Badminton instruction. Combine this with other organized sports, games, special events, arts and crafts, and theme days and you have got an exciting full day.

## Discovery Camp - Winter Break

Explore the fascinating marvels of science through curious investigation and interesting experimentation. Have the chance to participate in a variety of activities like creating bubbling concoctions or slimy mush as well as outdoor events, recreational swimming, arts and crafts, sports and games. Enjoy a memorable week filled with special events for everyone!

## Holiday Extended Before Care

This program is designed to supervise participants after their Day Camp program. A variety of indoor activities will be organized.

## Holiday - Extended After Care

This program is designed to supervise participants after their Day Camp program. A variety of indoor activities will be organized.

## Holiday Chess Camp

Checkmate! Not your average day at Camp. Participants will enjoy three hours per day of chess instruction.

## Holiday Computer Camp

A camp with a difference! A variety-based camp with a computer component. Campers will be involved in a variety of outdoor activities, co-operative games, sports, crafts, theme days, cooking, swimming, and special events. Participants will be introduced to computers and will receive 1 hour of computer time at a ratio of one computer to two children each day. An excellent range of fun educational software is used to introduce campers to the importance of computers. This camp is geared to children who enjoy the outdoors, socializing with new friends and learning about computers.

## Holiday Learn To Skate - Children

A beginners skating program designed to introduce basic skating skills to children. Participants gain confidence in their skating abilities through various activities. Participants will be grouped according to their age and skill levels. **CSA Approved hockey helmets are mandatory. Failure to arrive at class with proper equipment will result in non-participation.**

## Holiday Learn To Skate - Preschool

A beginners skating program designed to introduce basic skating skills to children. Participants gain confidence in their skating abilities through various activities. Participants will be grouped according to their age and skill levels. **CSA Approved hockey helmets with face masks are mandatory. Failure to arrive at class with proper equipment will result in non-participation.**

## Holiday Power Skating & Hockey - Children

The emphasis of this hockey skills development program will be skating posture, agility, stopping, edges, crossovers, backward skating, puck control, passing and shooting. This program would benefit beginner and house league players. **FULL HOCKEY EQUIPMENT MUST BE WORN.** The class will be divided into groups based on age and ability.

## Holiday Power Skating & Hockey - Adult

This program is a four-day version of our popular power-skating and hockey skills for adults. This program is specifically designed for adults who wish to enhance their skills in hockey and ringette. The course consists of warm-up activities, skating and stick-handling drills, and game play. The program is intended to maximize ice time for participants. **CSA approved hockey helmets, gloves, hockey/ringette sticks are mandatory. Full hockey/ringette equipment is highly recommended.**

## Holiday Soccer Camp

This speciality camp is designed for participants to develop basic soccer skills, including ball control, passing and shooting. Other activities throughout the camp include games, special events, theme days, swimming and organized tournaments.

## Winter Break Full Day Art Camps

Programs run daily from 9:00 a.m. to 4:00 p.m. Please dress in art friendly clothing and pack two peanut-free snacks and a lunch.

### Winter WonderLandscapes

Like a snowflake, each child has a different creative styles and concepts. Learn about different painting techniques and media and create your own framed work of art. Perfect as a Christmas gift for your loved one or hang your original masterpiece in your bedroom. The tradition of Canadian landscape painting exemplified by the Group of Seven continues at the Varley Gallery.

### Draw it! Paint it! Frame it!

This winter break, learn about different drawing and painting techniques and media and create your own framed work of art. Sketch, draw and paint all day, and learn how to mount, present and finish your artwork. Perfect as a Christmas gift for your loved one or hang your original masterpiece in your bedroom.

### Holiday Sculpture Studio

Have a blast creating 3-D objects out of clay and a variety of other media. Kids can express their individual style and personality in a fun and creative way!

### Scrapbooking: Remember 2010!

Let's celebrate 2010 and the fantastic moments by creating life-long mementos! Kids will create mini-scrapbooks in an artsy way, so bring photographs and special mementos of the year!

## Animation & Cartooing

Kids will love this camp where they will be introduced to the wonderful world of cartoon characters. They will learn techniques, form and settings and create their very own character from their imagination!

## Mixed and Mingled Media

Expose your kids to a camp that is all about imagination and tactile expression. Based on the current exhibition, Kai Chan: A Spider's Logic, kids will work with a variety of media, found objects to test their creative limits. New ways of looking at and experiencing art is encouraged in this creative and fun designed to kick start the new year on a creative high.

## Fabric Fun!

This camp is chock full of fun; fabric fun! Projects may include batiking, using natural wool fibres to create a felt artwork, and printing, stamping and collaging to create texturally interesting and unique creations. Art is not just about applying paint on a canvas but is in every creative endeavour and project you undertake.

## Winter Break Half Day Art Camps

Programs run daily from 9:00 a.m. to 12:00 p.m. or 1:00 p.m.-4p.m. Please dress in art friendly clothing and bring a peanut-free snack.

## Let it Snow!

The Canadian winter is the perfect inspiration for kids to create their own snowy scenes using a variety of media. Our budding painters will frame their piece, making their own Group of Seven-inspired landscape creation.

## Winter Waterglobes

Canadian winter is the perfect inspiration for kids to create their own snowy scene that they can keep forever using a mixture of clay and other media. A wonderful gift for mom, dad or loved one.

## Fun with Clay!

Get your hands dirty! Children will enjoy creating clay masterpieces, in a colourful and creative way!

## Holiday Memory Books

What a great year it has been and kids can capture their favourite moments of the year! Kids may create memento boxes, picture holders or mini-scrapbooks. Please bring in some photos and memorabilia items to include in the projects.

## Bead Buddies!

End your winter break in a special way and come join us at the Gallery for a fun-filled experience. Kids will get an opportunity to create Wearable Art such as necklaces and bracelets as well as useful pieces such as keychains and backpack pulls. Use a variety of beads in countless colours and material!

## Fabulous Fabrics

Use a variety of fabric and all the trimmings to make fun and fabulous puppets, and your very own mini wall hanging.

## New Year's Noisemakers

Let's make some noise! A mixed media extravaganza where kids will make cool paper hats, crowns and wands and say hello to 2011 with a bang!
