SUMMER EXHIBITIONS

Cul-de-Sac

June 26 - August 28, 2011

Since December, the Varley Art Gallery has been mentoring three graduate students from York University's Art History and Curatorial Studies program. This unique partnership will allow young curators Karie Liao, Fiona Wright and Maria Coates the opportunity of organizing an exhibition of contemporary art in a professional context. Titled Cul-de-sac, this exhibition will showcase photography, video and sculpture that deal with the concept of suburbia.
