Lifesaving Bronze Medallion

\$102.25

Teaches an understanding of the lifesaving principles embodied in the four components of water-rescue education: judgment, knowledge, skill and fitness. Rescuers learn tows and carries, and defense methods and releases in preparation for challenging rescues of increased risk involving conscious and unconscious victims of various types. Lifesavers develop stroke efficiency and endurance in a 500m timed swim. *Course is examiner evaluated. Please contact pool for exam date and time.*

Prerequisite: Bronze Star is highly recommended and/or minimum 13 years of age.

Required Course Text: Canadian Lifesaving Manual.

Lifesaving - Assistant Instructor

\$43

The Lifesaving Society Assistant Instructor Course prepares candidates to help certified instructors with swimming and lifesaving classes. Candidates are introduced to key principles of learning and teaching, and they master basic progressions. The Assistant Instructor course emphasizes the roles and responsibilities of instructors and their assistants. The course will incorporate the Town of Markham Volunteer Orientation Workshop. This is an excellent stepping stone for candidates who hold a current Bronze Cross Award and who are working towards becoming a Swim Instructor.

Prerequisites: Current Bronze Cross award AND minimum 14 years of age

Volunteer Orientation Workshop - Aquatic

Free

The Volunteer Workshop is mandatory for anyone wishing to volunteer in the Recreation Services Department. This workshop does not guarantee a volunteer placement, but rather prepares the potential volunteer for a placement. Specifically, the workshop prepares the potential volunteer with knowledge about the Town, the department's program policies, roles and responsibilities of the volunteers. There is no cost for this program; however, participants must register. To register please use our Fast Track registration or our EZ Reg internet registration systems. Following the workshop, participants will be asked to complete a volunteer application form and submit it to the aquatic coordinator in the area in which they want to volunteer.

Instructors - Swim and Lifesaving

\$227.50

The combined Swim and Lifesaving Instructor course prepares the instructor to teach and evaluate swim strokes and lifesaving skills. Through classroom learning and in-water practice, instructor candidates explore proven teaching methods; learning strategies and activities; a variety of stroke and skill drills; effective correction techniques; and evaluation criteria. Practice teaching is emphasized throughout. *This course includes certification in HIGH FIVE® Principles of Healthy Child Development.*

Prerequisites: 16 years of age, and CURRENT Bronze Cross (or higher) certification.

National Lifeguard Service

\$150.75

National Lifeguard training builds on the fundamental skills, knowledge and values taught in the lifesaving awards of the Society to develop the practical skills and knowledge required by lifeguards. Recognized as the standard measurement of lifeguard performance in Canada, National Lifeguard education is designed to develop a sound understanding of lifeguarding principles, good judgment and a mature and responsible attitude toward the role of the lifeguard. The National Lifeguard's primary role is the prevention of emergency situations and where this fails, the timely and effective resolution of emergencies. The National Lifeguard program is designed to prepare lifeguards to fulfill this role as professional facilitators of safe, enjoyable aquatics. *Course is examiner evaluated. Please contact pool for exam date and time.*
